

SerenityScape

Art Program for the Christian Body

Heavenly Praise

of adoration,
worship and prayer whether on your
knees or with a paint brush,

Hallelujah

is found.

Art can be a means to connect with God, praise Him and be led by the Holy Spirit. This special program is designed for Christian followers, allowing them to immerse themselves into the creative process and engage with God as a form of prayer.

You will be guided through the art process of the landscape step-by-step. You will be led in creative ways to meditate on God, listening to His word, celebrate His creation, understand the flow of creating, and gain an even greater appreciation of nature singing His praises.

Each participant will go home with a completed painting to remind them of their moment with God and the experience of creating with the Great Creator.

This is truly a celebration and expression of the *precious child* He created us to be.
