### What you can expect.

Your art experience is a guided step-by-step art project, encouraging creativity for any skill level or ability. Our programs teach the participants to try new things, laugh and encourage one another. We come to your workplace or center with all the supplies needed for the creative project. Each class or program is specifically designed for your needs.

Programs vary from 1 to 3 hours.

Fees are based on per person, program chosen and length of program.

- All supplies are included.
- At this time group size is limited to a maximum of 40 participants.

### What you will discover.

Art stirs your spirit on a path of imagination and excitement. It makes your heart, mind, and soul work together. Come enjoy your unique artistic expression with our relaxing teaching techniques.

Creating art enriches your life experience by stimulating imagination, increasing observation and problem solving skills. Reduce stress and boosts your brain, while creating a beautiful personal work of art.

# Empowering Instructors with an understanding of the Creative process.

Art classes are taught by two professional artists – Susan Smith and Laura D'Argo. Both artists have teaching experience for ages 5 to 95. They have a passion for art, teaching and the students they share the love of art.
